

# BROMLEY COVID WINTER GRANT

## HAVE YOU BEEN FINANCIALLY AFFECTED BY THE CORONAVIRUS PANDEMIC?

The Bromley COVID Winter Grant has been set up to provide vulnerable households and families with children particularly affected by the pandemic with support.

The grant is to support those most in need in the Borough with the cost of food, energy (heating, cooking, lighting), water bills (including sewage) and other essentials.

**Any household with school aged children OR an eligible child who lives on his or her own is eligible for funding providing there is evidence of furloughed income or other means tested benefits.**

Please note: if you have access to school food vouchers you will not be eligible to apply for the grant to cover the cost of food.
